

Let's Discuss – Day 1 | Participate in the Group Discussion

Description

Today we are starting a new program called 'let's discuss'. In this program we'll give you a topic on every Tuesday. Go to the embedded youtube video and present your thoughts on the topic in the comment section of the video by 10AM next day. We'll read each and every comment and we'll hear the top 10 comments. These 10 comments will be selected on the basis of how well they articulated their thoughts. And the top most comment will be pinned.

The aim of this program is to create a platform for students to express their views, to learn from the opinions of others and to finesse their articulation skills. The topic is mentioned in the video. (Today's topic is – Youth in Politics)
